NOTICE OF APPARENT LIABILITY FOR FORFEITURE

Adopted: May 14, 2015

Released: May 14, 2015

By the Chief, Video Division:

I. INTRODUCTION

1. In this Notice of Apparent Liability for Forfeiture (“NAL”), issued pursuant to section 503(b) of the Communications Act of 1934, as amended (the “Act”), and section 1.80 of the Commission’s rules (the “Rules”),¹ we find that Kailua Television, LLC (the “Licensee”), licensee of Station KKAI, Kailua, Hawaii (the “Station”), apparently willfully and/or repeatedly violated Sections 73.3526(b)(2) and 73.3526(e)(11)(i) of the Rules by failing to upload (i.e., place) in a timely manner TV issues/programs lists into the Station’s local public inspection file (“public file”).² The Licensee also apparently willfully and/or repeatedly violated Section 73.3514(a) of the Rules by failing to report these violations in its license renewal application (FCC Form 303-S). Based upon our review of the facts and circumstances before us, we conclude that the Licensee is apparently liable for a monetary forfeiture in the amount of six thousand dollars (\$6,000).

II. BACKGROUND

2. Section 73.3526(e)(11)(i) of the Commission’s rules requires every commercial television licensee to place in its public file, on a quarterly basis, a TV issues/programs list which details programs that have provided the station’s most significant treatment of community issues during the preceding three month period and must include a brief narrative of the issue addressed, the time, date, duration, and title of each program in which the issue was treated. TV issues/programs lists must be placed in the Station’s public file by the tenth day of the succeeding calendar quarter and copies must be retained until final action on the station’s next license renewal application.³

3. In 2012 the Commission adopted Section 73.3526(b) of the Rules, which requires licensees to upload elements of stations’ public files to an on-line Commission hosted website (i.e., a Station’s “e-pif”). This requirement includes uploading copies of a station’s quarterly TV issues/programs lists to its e-pif.⁴ Broadcasters’ e-pif requirements were phased in between August 2012

and February 2013. Beginning August 2, 2012, stations were required to post any document that would otherwise be placed in a station's public file, with limited exception, to their e-pif on a moving forward basis. By February 4, 2013, stations were required to upload to their e-pif those public file documents, with limited exceptions, that were already in their physical public file prior to August 2, 2012.⁵

4. Additionally, Section 73.3514(a) of the Rules provides that "[e]ach application shall include all information called for by the particular form on which the application is required to be filed...."⁶ Section IV, Question 3 of the license renewal application requires the licensee to certify that during the license term it has placed all documents required by Section 73.3526 of the Commission's rules into the Station's public file at appropriate times.⁷ The Licensee did in fact certify that it had placed all required documents in its public file at the appropriate times.

5. On September 30, 2014, the Licensee filed its license renewal application (FCC Form 303-S) for the Station.⁸ A staff inspection of the Station's public file revealed that the Licensee did not upload copies of its TV issues/programs lists to its e-pif for all quarters of 2007 and all quarters of 2008 until February 17, 2015 after Commission staff called station counsel to request that the documents be uploaded. The Licensee did not provide any explanation for its failure to upload these TV issues/programs lists to its e-pif in a timely manner and did not disclose these violations in its license renewal application.

III. DISCUSSION

6. The Licensee failed to upload in a timely manner to the Station's e-pif copies of the Station's TV issue/programs lists for all four quarters of 2007 and 2008.⁹ While all of the required TV issues/programs lists have now been uploaded to the Station's e-pif, these late filings constitute apparent willful and/or repeated violations of Sections 73.3526(b)(2) and 73.3526(e)(11)(i) of the Rules.¹⁰ Moreover, the Licensee's failure to report these violations in its license renewal application constitutes an apparent violation of Section 73.3514(a) of the Rules.¹¹

7. This *NAL* is issued pursuant to Section 503(b)(1)(B) of the Act. Under that provision, any person who is determined by the Commission to have willfully or repeatedly failed to comply with any provision of the Act or any rule, regulation, or order issued by the Commission shall be liable to the United States for a forfeiture penalty.¹² Section 312(f)(1) of the Act defines willful as "the conscious and

⁹ Our action today addresses apparent violations from the date the prior license renewal application was granted through the adoption date of this item. Any violations that may occur following the adoption date of this item and prior to the grant of the current license renewal application would be separate violations and potentially subject to additional Commission action.

deliberate commission or omission of [any] act, irrespective of any intent to violate” the law.¹³ The legislative history to Section 312(f)(1) of the Act clarifies that this definition of willful applies to both Sections 312 and 503(b) of the Act,¹⁴ and the Commission has so interpreted the term in the Section 503(b) context.¹⁵ The Commission may also assess a forfeiture for violations that are merely repeated, and not willful. Section 312(f)(2) of the Act provides that “[t]he term ‘repeated,’ when used with reference to the commission or omission of any act, means the commission or omission of such act more than once or, if such commission or omission is continuous, for more than one day.”¹⁶

8. The Commission’s *Forfeiture Policy Statement* and the notes to Section 1.80(b)(8) of the Rules establish a base forfeiture amount of three thousand (\$3,000) for failing to file required forms or information.¹⁷ In determining the appropriate forfeiture amount, we may adjust the base amount upward or downward by considering the factors enumerated in Section 503(b)(2)(E) of the Act and Section 1.80 of the Rules, including “the nature, circumstances, extent, and gravity of the violation and, with respect to the violator, the degree of culpability, any history of prior offenses, ability to pay, and such other matters as justice may require.”¹⁸

9. Beginning August 2, 2012, the Station should have uploaded on a quarterly basis its TV issues/programs lists directly to its e-pif. By February 4, 2013, the Station should have uploaded to its e-pif those TV issues/programs lists that were already in its physical public file. The Licensee failed to meet the February 4, 2013 deadline with regard to its 2007 and 2008 issues/programs lists by more than two years. Furthermore, the Station’s TV issues/programs lists were not uploaded until over four months after the Station’s license renewal application was filed. This delay deprived the public the opportunity to fully review the station’s TV issues/programs lists prior to the deadline for submitting a petition to deny, which under Section 73.3516(e) must be filed “by the first day of the last full calendar month of the expiring license term.”¹⁹

10. Upon review of the facts, circumstances, and nature of the violations, we find that forfeiture in the amount of \$3,000 is appropriate for the Licensee’s apparent failure to upload to its e-pif by February 4, 2013 copies of the Station’s 2007-2008 TV issues/programs lists that were in the Station’s physical public file prior to August 2, 2012. We also find that a forfeiture of \$3,000 is warranted for the Licensee’s apparent failure to disclose these violations in its license renewal application. Accordingly, the Licensee is liable for a total forfeiture in the amount of \$6,000 for its apparent willful and/or repeated violations of Sections 73.3526(b)(2), 73.3526(e)(11)(i), and 73.3514(a) of the Rules.
